Working Student (m/f/d) Market Analysis Sugarbeet

Would you like to gain practical experience in the field of Market Analysis? For KWS SAAT SE & Co. KGaA at the location Einbeck we are looking for a Working Student (m/f/d) in part-time (10hours/week) to support the market and competition analysis of the Business Unit Sugarbeet by data collection, analysis and report generation. This position is to be at the earliest possible date. We are looking forward to your start with us!

What awaits you:

- Collection of competitor data from various internal and external sources, such as but not limited to annual reports, websites, press releases
- Preparation of data for import in market intelligence database
- Analysis of such data and preparation of conclusions
- Preparation of the results of the analysis in various formats, such as but not limited to xls-files and presentations

Your profile:

- You are a registered student (m/f/d) in the field of agricultural or economic sciences or in a comparable course of studies, ideally with a focus on agribusiness
- You ideally have very good handling of MS-Office applications, in particular Excel and PowerPoint
- You have analytical and structured working methods as well as strong communication skills
- You have a high degree of integrity, proactivity, perseverance and curiosity
- You have a very good command of written and spoken English, German would be an advantage

What we offer:

- Insights into the business development of a globally operating company
- Exciting tasks and projects with a steep learning curve
- Independent and autonomous work / autonomy
- An open corporate culture with a family atmosphere

Do you want to grow at KWS? Interested? We look forward to receiving your online application via our application system! To do so, please use the "Apply" function in the online application.

About KWS

KWS is one of the world's leading plant breeding companies. With the tradition of family ownership, KWS has operated independently for more than 160 years. It focuses on plant breeding and the production and sale of seed for corn, sugar beet, cereals, potato, rapeseed, sunflowers and vegetables. KWS uses leading-edge plant breeding methods. 5.700 employees represent KWS in more than 70 countries.
